Announcing the Very Important

August Sale of Furs

FOR WOMEN AND MISSES

*At prices so low immediate selection will
mean a saving of fully 30% from Fall prices*

We unreservedly advise the immediate selec-
tion of your fur coat for next season. Just as
prices swung too high during the past two
seasons—so the pendulum has swung too far
in the other direction NOW. In America
we seem to go to extremes, and today furs are
offered at far below that which any circum-
stance could warrant.

*Handsome Fur Coats are pre-
sented in the August Sale at
fully 40% below prices which have
prevailed during recent seasons.*

The pelts are specially selected, of high lustre,
and the models exclusive with Saks & Company.

*Pay only one-third now, if you so desire,
the balance to become due when your furs
are taken from our vaults in the autumn.*
